Explanatory Statement Pursuant to Section 102 of the Companies Act, 2013.**Item 4****Entering into Transaction with Related Party**

The Company is making all efforts to sell its high quality recycled sustainable polyester yarn at Premium pricing compared to virgin. The Company is in discussion with related Party 'PerPETual Global Technologies Limited' for sale of Recycled Yarn.

Clause 188 of the Companies Act, 2013 states that no approval for related party transaction is required either of Board or Shareholder if the transaction is in the ordinary course of business and on the basis of arm's length price. However, Clause 23 of SEBI Listing Regulations requires that all material Related Party Transactions shall require approval of the shareholders. Since the sale of Yarn will exceed 10% of Polygenta's sale for the Year Ended 31st March 2017 the Shareholders permission is sought for sale of such goods.

The Shareholders had at the last AGM held on 27th September 2016 passed resolution for entering into sale transaction upto Euro 3 Million. However, the validity is upto 30th September 2017. As the Company is expecting further orders from PGTL, it is proposed to enable Board of Directors to enter into sale transaction of recycled yarn upto Euro 3.00 Million with validity period upto 30th September 2018.

The following are the details of the proposed transaction to be entered into:

- (1) Name of the Party : PerPETual Global Technologies Limited
- (2) Name of the Director or KMP who is related : Mr. Marc Lopresto as he is the Director of PerPETual Global Technologies Limited.
- (3) Nature of Relationship: PerPETual Global Technologies Limited is the Lead Promoter and holding company of Polygenta Technologies limited and holds 75.4% of the equity share capital.
- (4) Nature, material terms, monetary value and particulars of the contract or arrangement: Supply of DTY at arm's length price prevailing at the time of despatch of materials maximum to the extent of Euro 3.0 Million upto 30th September 2018 against 100% advance. The Board is entitled to refund the advance received any time if the materials cannot be supplied.

Except Mr. Marc Lopresto, who is interested in the resolution as he is the Director of PerPETual Global Technologies Limited, none of the other Directors /KMP or their relatives are concerned or interested in these resolutions.

The Board recommends the resolutions for Shareholders' approval.

Item 5**Ratification of price of the Rs.47/- per CCPS allotted to PerPETual Global Technologies Limited**

The Company had through Postal ballot, results of which were declared on 19th September 2014, consented to offer, issue and allot on preferential basis up to 1,30,00,000 Compulsory Convertible Preference Shares ("CCPS") at a price of Rs.47/- per CCPS (i.e. Face Value of Rs.10/- and premium of Rs.37/- per CCPS) being the price determined in accordance with SEBI ICDR Regulations.

In terms of Regulation 74(1) of SEBI (ICDR) Regulations, the allotment of CCPS was to be completed within 15 days of the Postal Ballot Results declared on 19th September 2014 OR if any approval or permission by any regulatory authority or Central Government is pending, the period of 15 days shall be counted from the date approval or permission, as the case may be. In-principle approval for allotment of 1,30,00,000 CCPS was received on 29th September 2014. Pursuant to this, an allotment of 13,25,000 CCPS was made to Ventureast Life Fund III on 30th September 2014 and the equity shares arising out of the conversion of these CCPS were listed subsequently. As explained in the subsequent paragraph, an allotment of 1,01,55,893 CCPS was made to PerPETual Global Technologies Limited (PGTL) on 24th February 2015.

The pre-referential equity shares held by PGTL to the extent of 2,20,69,886 equity shares were in physical form as the Listing approval of the said pre-referential equity share was not received. As per SEBI ICDR Regulations, the entire pre-referential equity shares were required to be in dematerialised form before allotting the CCPS. The dematerialization of these 2,20,69,886 equity shares in turn required prior receipt of Listing approval from the BSE.

The Company received Listing approval for pre-preferential holding of 2,20,69,886 equity shares held by PGTL on 10th February 2015. Within 15 days of this approval the Company dematerialised the pre-preferential shares and allotted the CCPS on 24th February 2015. The Company is of the view that it is in compliance with Regulation 74(1) of the SEBI (ICDR) Regulations, as it allotted the CCPS within 15 days of Listing approval received for pre-preferential holding.

However, now the Company has been advised to take a conservative view that the period of 15 days should be counted from the date of in-principle approval. Based on this conservative view, the CCPS should have been allotted before 14th October 2014. Because the Company did not allot the CCPS before this date, the Company has not complied with Regulation 74(1) of SEBI ICDR Regulations as per this view. Therefore, the Company needs to now proceed in compliance with the requirement made under Reg. 74(2) of Chapter VII, SEBI ICDR Regulations.

As per Regulation 74(2) of SEBI ICDR Regulations, if the allotment of specified instruments and dispatch of certificates is not completed within 15 days from Shareholders' Special Resolution or from approval or permission by any regulatory authority or Central Government, a fresh special resolution shall be passed and the relevant date for determining the price of CCPS will be taken with reference to the date of latter special resolution.

In view of the above, consent of the Members is now sought to ratify the pricing of the allotment of 1,01,55,893 CCPS made to PGTL at a price determined in accordance with the Regulation 76 of SEBI ICDR Regulations and to set 23rd August 2017 as the relevant date for ascertaining the issue price. As the Company's shares are not frequently traded, the Company has obtained a valuation in compliance with Regulation 76A SEBI ICDR Regulations. The issue price calculated in accordance with Regulation 76A of SEBI ICDR Regulations is Rs 0.70 which is substantially lower than Rs.47/- (Face Value of Rs.10/- and premium of Rs.37/- per CCPS) at which 1,01,55,893 CCPS were allotted to PGTL. Accordingly, the allottee is not liable to pay any additional price towards the 1,01,55,893 CCPS allotted on preferential basis. However, in case the purchase price is re-computed and the said price is higher than the amounts already paid by the Allottee, then the Allottee shall pay the difference between (i) such higher computed price and (ii) the price already paid with respect to the allotted CCPS.

Mr. Marc Lopresto, Director of the Company is interested in the above resolution as Marc Lopresto is also a Director of PGTL. Other than Mr. Marc Lopresto, none of the other Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested in any way in the resolution proposed to be passed.

Perpetual Global Technologies Limited, the promoter and the major shareholder will abstain from voting on this resolution as it is interested in this resolution.

The Board recommends the resolutions for Shareholders' approval.

Relevant disclosures made in the Original Notice dated 16th August 2014 for Postal Ballot Resolution. The disclosures stated therein are reproduced hereunder:

Since the explanatory statement to the notice for the said AGM did not - contain a statement with reference to regulation 73(1)(e) of the SEBI (ICDR) Regulations, the Company is now seeking the approval from shareholders for the above through postal ballot.

- ii) Average of the weekly high and low of the closing prices of the related equity shares quoted on the stock exchange during 2 (Two) weeks preceding the Relevant Date.

The "Relevant Date" for calculating the floor prices as per ICDR, means the date used in determining the conversion price of the CCPS which is 30 (thirty) days prior to the date of declaration of the results of postal ballot under section 110 of the Act read with rule 22 of the Companies (Management and Administration) Rules, 2014. Therefore, the Relevant Date for the purpose of calculation of price is August 20, 2014, being 30 days prior to the declaration of results of Postal Ballot i.e. September, 19, 2014 which is deemed to be the date of the general meeting.

The offer price arrived at is based on SEBI (ICDR) Regulations, 2009. The Book Value as per the latest audited accounts for the year ended 31st March 2014 is Rs.2.21 per share which is much lesser than the offer price.
